Evan Almighty

- In order to engage our Noahic theme during the month of November, take an evening for a family movie night to watch and discuss Evan Almighty (rated PG).
- Discussion Questions:
 - Evan talks a good line about family, but does he walk the talk?
 - What does Evan promise his family, especially his sons, when they arrive at their new home?
 - Why does Evan think it is okay to put work before his family?
 - What changes when Evan's sons and wife begin to help him?
